

## Under Construction for a Bright Future

### *Two Big Improvements Underway at the Park*

#### **James P. Baker Show Pavilion**

The Carolina Horse Park Foundation is currently under construction with the James P. Baker Show Pavilion. The Park wishes to honor Jim Baker's legacy and his dedication to true sportsmanship and volunteerism through the naming of the Pavilion. The Pavilion is on target to be completed in March 2021.

A longtime friend and supporter of the CHP, Jim was the quintessential competitor, horseman and supporter. In Jim's honor the Park will dedicate this important venue to his life as a dear friend, family man and equestrian. The show pavilion will provide state of the art space for our key constituents.

Pavilion Amenities include:

- \* Officials' and Announcers' Platform
- \* Education and Learning Center
- \* Spectator Viewing and Hospitality Space

#### **Setters' Run Farm Arena**

Another improvement taking place on the Park's 315-acres is due to the generosity of an anonymous donation for a 160' x 250' arena with all-weather footing. The addition of a second all-weather ring will enhance the safety options for our competitors while adding a third fenced arena for horse shows and events. The arena is on target to be completed in February 2021.

*The Carolina Horse Park (CHP) Foundation was established to create and support a 315-acre, nationally recognized premier equine competition venue and land preserve located in Hoke County, NC. Founded in 1998 as a 501 (c)(3) not-for-profit organization by equestrian enthusiasts, CHP is dedicated to the preservation of open space for equestrian events, as well as educational and recreational purposes.*
