**Raeford, NC – March 14, 2017** - With one week until the start of the Cloud 11 ~ Gavilan North LLC Carolina International final preparations are in full swing. Held at the Carolina Horse Park, March 22-26, the fourth annual event will once again host some of the world's best eventing combinations in International CIC1\*, 2\*, and 3\* divisions as well as National competition at the Training through Advanced levels.

In 2017, the Carolina International is pleased to have the support of returning sponsors and to welcome in new corporate sponsors. Find a full CORRECTED list of this year's sponsors here .

Once again the Carolina International is working diligently to continue to raise the bar both on the field of play and off, as renowned Olympian and

International Course Designer Ian Stark returns for the second year to design all the International and Upper Level courses. Throughout the weekend competitors at all levels will be vying for a share of the \$65,000 in prize money with \$35,000 going to the CIC3\*. Competitors, owners, riders, grooms, sponsors, and patrons will be treated to world-class hospitality all week and will have a chance to celebrate the 80's at the famous Saturday Night Competitors' Party.

The Carolina International is also pleased to partner with EQSportsNet for a second year to provide a free Live Stream of the two and three star competition. The broadcast will include Wall-to-Wall coverage of the CIC3\* and the show jumping and cross country of the CIC2\*.
